

Name:

When answering these questions please **use full sentences** and make your **answer as clear as possible**. Responses to questions one and two should be **no less than 500 words** in total. (For example: 300 words for question one and 200 words for question two, or 250 for each). Both responses should not exceed **700 words** in total. All responses are to be typed rather than hand written. These word limit guidelines have been introduced to indicate the expectations for the depth and significance of the written task.

1. In your view what is the difference between the work of a degree-qualified early childhood teacher in an early childhood setting and a diploma-qualified early childhood practitioner?

2. Why do you want to be an early childhood teacher?

-
3. Please provide a summary/overview of your personal philosophy of early childhood education and care (up to one page).
